

## Eimear Sheehan School of Speech and Drama

The **Eimear Sheehan School of Speech and Drama** promotes self-confidence and expression in a safe and fun environment. Using improvisation, stories, theatre games, mime and poetry, the students will have the opportunity to learn new skills.

The children can prepare for LSMD Speech and Drama exams (optional). This is an excellent way to keep them focused, working towards a goal, as well as having a sense of achievement whilst developing communication skills. Those who completed exams last year can progress to the next grade, should they wish to do so.

*Eimear Sheehan is a teacher in Scoil Bhríde, Clane and has a H.Dip in Drama Education.*
