

SAFE ROUTES TO SCHOOL

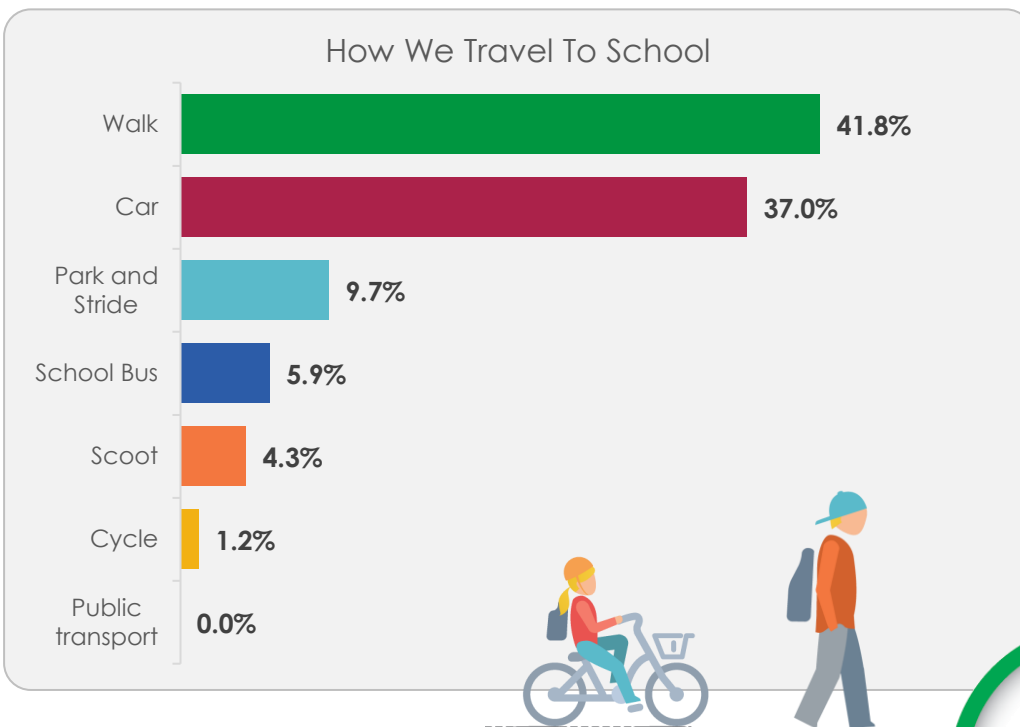

SCOIL BHRÍDE AND SCOIL PHÁDRAIG PARENT SURVEY RESULTS

Results of Our Parent Survey

Responses received: 425

Students represented: 648

Our schools have been selected to participate in the Safe Routes to School (SRTS) programme. The objective of the programme is to improve safety at the school gate and to support students to safely walk, cycle and scoot to school. Our Parent Survey results and support for the SRTS programme is showcased below.

89% of parents agreed that road safety is a problem around the school

97% of parents would support works at the front of school that improve student safety, putting pedestrians and cyclists first

99% of parents would support works that improve the walking and cycling routes to our school

Some Key Comments Received from Parents

"Would love to cycle to school but it is currently not safe to do so. If there were cycle lanes we would 100% cycle to school and not drive."

"The footpath on the Prosperous Road from the village is highly congested during school start & end times with children being pushed out onto the road. Also there are no bike lanes for kids to cycle safely to school and no pedestrian lights outside the school to cross the road."

"I would love to see the proposed pedestrian walkway via the sports pitches opened for children to walk to school away from traffic."

74% want new or improved footpaths

69% support safer crossing points

57% want new or improved cycle paths

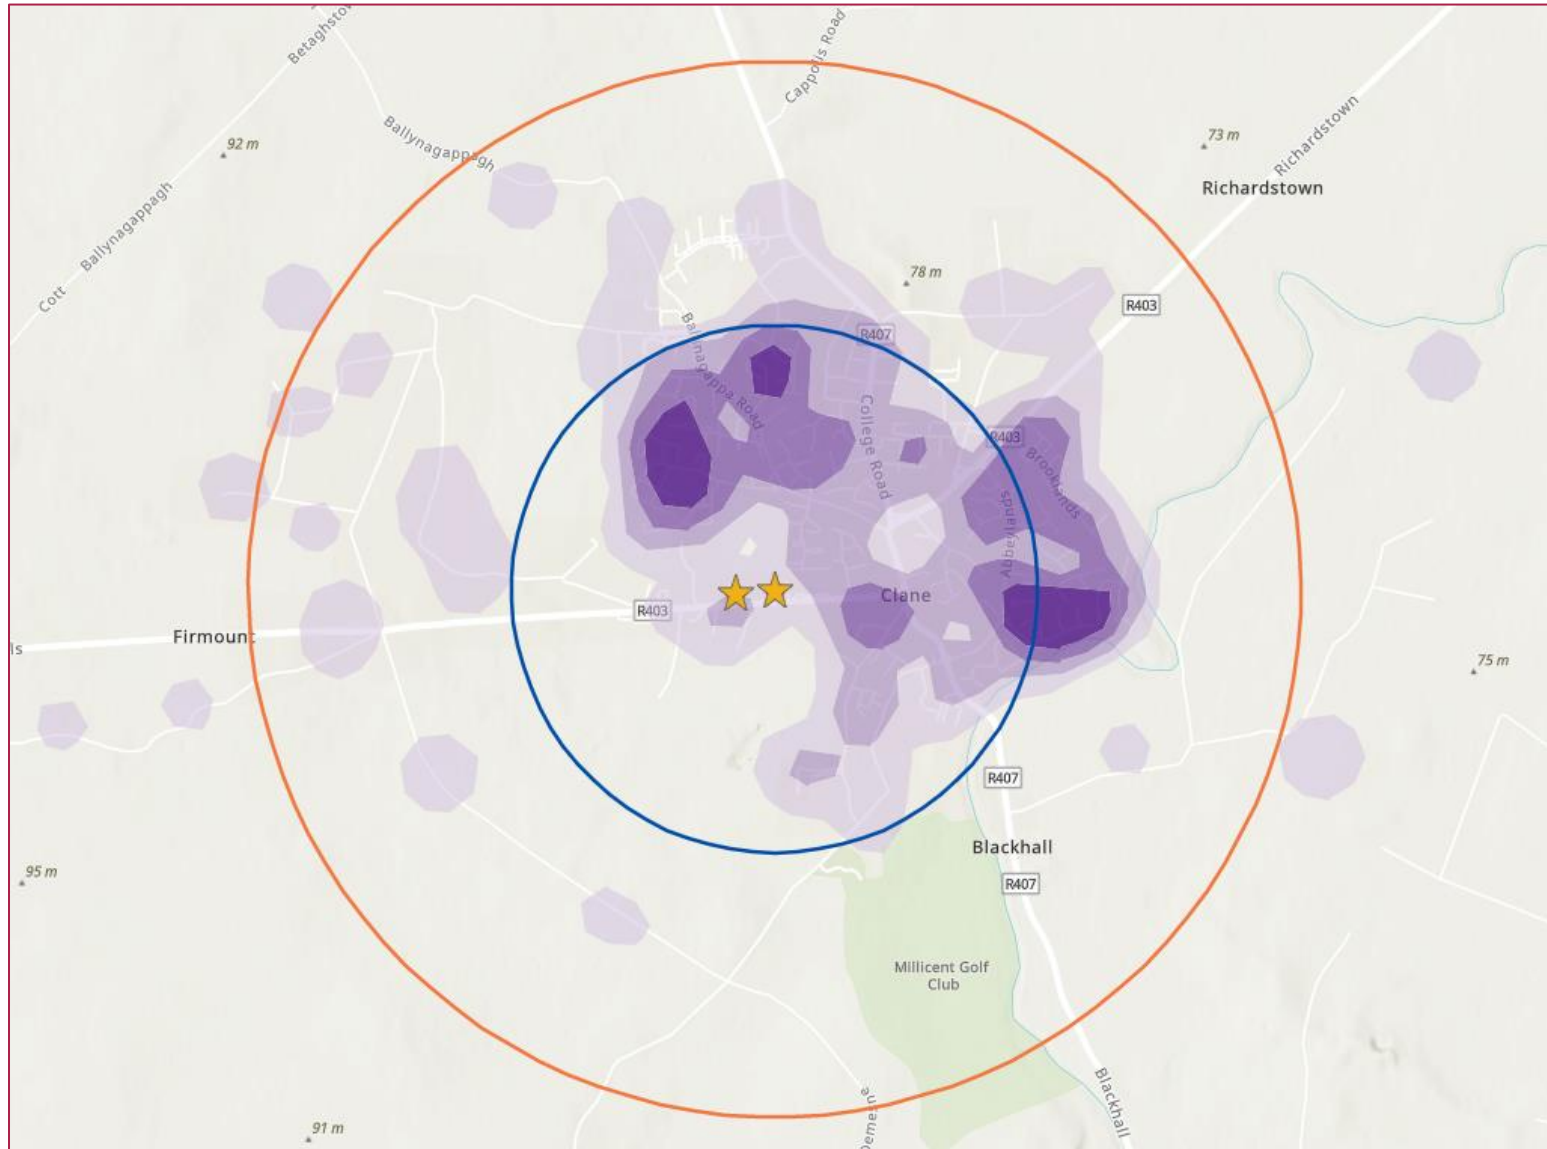

50% want fewer cars at the school gate

SAFE ROUTES TO SCHOOL

SCOIL BHRÍDE AND SCOIL PHÁDRAIG - WHERE WE ARE TRAVELLING FROM

60% of students surveyed live within **1km** of the school

89% of students surveyed live within **2km** of the school

★ School locations

○ 1km radius

○ 2km radius

■ Higher density of students travelling from this area

■ Lower density of students travelling from this area
